# CAPABILITY STATEMENT

## ABOUT US

Corporate Plus is an independently-owned global full-service diversity talent acquisition firm providing our clients with reliable and expeditious searches, recruitment and staffing solutions.

Established in 1991 by Principals, Walt McGlawn and Shawn F. Menefee, the firm has grown to become a leader in talent acquisition. Throughout our years of service, our network has been the key to our success. Our ability to source and recruit the very best talent is a hallmark of our longevity and success.

## FOR CLIENTS

Corporate Plus has an established track record of success on corporate searches, working with companies to find the best quality candidates for executive positions in the **Federal, Fortune 500 and municipal** sectors of business. With 70 years of combined search consultant experience for major corporations, our client-focused search approach has proven successful.

When working with a new client, we first develop an understanding of their organization and its culture. Next, we draft a position specification and a search strategy to identify quality candidates to interview. Thereafter, we update the new client and provide progress reports on the search. Finally we present on offer to the most qualified candidate.
